# OCALA OUTREACH FOUNDATION

**A NEW WAY TO HELP OR GET HELP.**

**HELP**

**@ OCALAOUTREACH.ORG**

## EASY TO GIVE

Ocala Outreach Foundation, Inc., was started to assist those in our area that really need help. They are people that work hard every day to make ends meet. They are people that are not asking for help, and some will not even know that help is coming. They are people that our Social Worker has spent time with and feels the need to help them. Unfortunately, sometimes she is unable to use more conventional avenues to help them for various reasons, or due to so much red tape. We wanted to provide her a tool to use to help those that she couldn't get help for. It became so much more.

## AND THEN GIVE

Visit our website and browse the outreach projects that are available, choose one or more and then give. It's that easy.

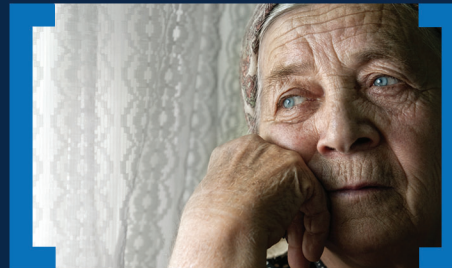

All our families are vetted and 100% of your donations go to helping that family. We post updates each time we are able to help so the donors can get a feel of how their donations are directly helping a family in our area!

## CHOOSE AN OUTREACH PROJECT

We leverage social media to target donations for Outreach Projects in our local area. We call them projects, but they quickly become our families. We try to break down and remove the barriers some have of giving. We strive to do only one thing, help the families we have vetted. So visit our website today and choose a family ...
